This isn't a war won in a single day..People will waive flags, chant, get fucked in the ass, then it's up to EVERYONE to make a choice, fight or just let this happen..

They declared war against us 4 years ago. We're just a little late to the party.

Any pede here who thinks this is going to be won today or tomorrow are deluding themselves... If you think we can win this without violence, you're also likely naive..These are communists, they won't simply let this happen, they

don't fear us, they know they can fuck us over..

I think that's the whole point if they try to delay we do an audit.

of the 535 heads laying on the ground.

I'm here. And if Congress helps in the steal (which I think they will) and nobody stands up against it, then we deserve what we get.

I'm going over to the ellipse with the mindset that they're going to fuck us hard. That no matter what happens, the GOP will backstab Trump again. That way I'm not going to be let down like every other time I thought, this was the day it gets fixed. Not dooming, just being a realist.

Great idea and who is going to lead this war? I am looking for local militias in my state and there is scant info. I am down for the fight but We better get otganized and equipped damn quick.

[permalink](#) [save](#) [report](#) [block](#) [reply](#)

▲ 6 ▼

= [Tcrlaf1](#) 6 points 5 days ago +6 / -0

That info is censored these days. YOU are the local militia, start arranging your cell of people who can be trusted.

There are going to be a lot of shocked people when it's goes down most of them listen to mainstream fake news and have no clue what's going on. And I think the same for the politicians they live in their bubble and they are clueless of what is about to happen.

Not at your fellow citizens, that's for sure. Civil war isn't the way. It's the 'leadership' who needs to be held to account and prosecuted, not your college leftist anti-Trumper

Right but how do you fight an actual war targeted at just leadership?

I'll defer that, and say how do you kill the leadership by shooting a fellow citizen?
